# Repeated delivery for confirmed former residents

To the local delivery office:

I am a current occupant of the address below. The household has confirmed that the following people no longer live here:
- Taylor Former

Household address:
100 Example Lane Unit 4
Exampletown, FL 00000

Selected envelope observations:
- 2026-10-06: envelope addressed to Taylor Former

Please review these repeated deliveries with the carrier or delivery supervisor and advise whether the relevant delivery records need correction. Please advise how undeliverable mail for these confirmed former residents should be handled locally. I am contacting you as the current occupant, not as or on behalf of the former residents. I am not requesting a change of address or changes to anyone's accounts. This request excludes mail addressed to Current Resident or Occupant. Thank you.
